

Bachelor of Health Care, Nursing (Top up)

Student selection in Rolling admission (August 2026 intake)

Note! To be considered in student selection for the programme, you are required to submit the application form on Studyinfo.fi service during the application period and meet the eligibility requirement for the Nursing (Top up) studies. The application **opens 15 November 2025** at 8.00 UTC+2.

Students in the Rolling admission process are admitted in **the order of submitted, complete applications**. Make sure you have all the required documents in your application. Application closes when the study places reserved for this programme have been filled, or by 28 February 2026, 3 pm UTC +2 at the latest.

The student selection for this degree programme is based on a pre- task. The pre-task is **a video interview**. Complete the pre-task before applying and upload the task to your application form.

Upload your video to your application form on Studyinfo (section "Pre-task")

- The maximum size for one file is 1 Gb. The upload for a file exceeding the maximum size will not be successful. Uploading the video file on Studyinfo may take some time. **Save the changes to the application form after the upload**. You must both upload the file and save the changes.
- You can access your application form via link included in the email you received from Studyinfo after submitting your application, or by logging into [My Studyinfo \(Oma Opintopolku\)](#).

Video Interview for Nursing (Top up) programme:

Instructions

- You have to **personally appear** on the video answering the questions listed below. Prove your identity by showing your passport at the beginning of the video.
- You can make the video with the device of your choice (e.g. mobile phone, tablet, digital camera or computer).
- Record a video answering the questions on the second page.
- Keep your total video length maximum 3 minutes, don't speed the video.
- Speak clearly and naturally.
- Use a quiet, well-lit space with minimal distractions.
- Dress professionally and be yourself!
- Points for the pre-task: maximum 50 points, lowest accepted score for admission 30 points.

See the interview questions on the second page.

Interview questions:

1. Tell us about yourself and your educational background.
 - What degrees or qualifications have you completed and when?
 - How would you describe your IT skills, and how do you use them?
2. Share your work experience and future aspirations.
 - Introduce your previous work history.
 - How long have you been working in the healthcare sector?
 - What is your professional goal or dream job in nursing or healthcare?
3. Why are you applying to the Nursing (Top up) programme at Xamk?
 - What motivates you to continue your nursing education?
 - How do you think studying at Xamk will help you achieve your goals?
 - What are your expectations for the programme?
4. What do you know about Finland and Finnish culture?
 - Have you studied Finnish language or plan to do so before your studies at the programme would start?
 - What interests you about living and studying in Finland?
5. Is there anything else you'd like us to know?
 - What makes you a strong candidate for the Nursing (Top up) programme?
 - Is there something unique about your background or experience you'd like to highlight?
