

South-Eastern Finland University of Applied Sciences
Water Technology and Sustainability
Bachelor's Degree in Engineering

Entrance examination interview instructions

The entrance exam for day studies in the Bachelor's Degree in **Water Technology and Sustainability** is carried out as a video interview. In a video interview, you will make a video of yourself in which you answer the questions below. You can make a video with a device that suits you (e.g. phone, tablet, computer, digital camera). The maximum length of the video is 3 minutes.

Shakil Regmi (shakil.regmi@xamk.fi)

Tuija Ranta-Korhonen (Tuija.ranta-korhonen@xamk.fi)

INTERVIEW QUESTIONS

1. Tell us about yourself

Tell us about yourself: name, education, career and work tasks.

Why are you applying for a bachelor's degree?

What do you expect from your studies?

2. Studies in practice

Studies at Mikkeli are demanding, especially in terms of time management. Studies require participation in the classroom and attention toward studies. How do you think you will cope with your studies from the perspective of time management?

3. Thesis and internship

The degree requires a working life-oriented thesis and practical training. Do you already have some idea of a possible thesis theme or what you are expecting from internship. Do you have any experience from the industry yet?

4. Give feedback on the entrance exam

What do you think about a video interview as an entrance exam?

SUBMITTING YOUR VIDEO

- **This is an interview** so make sure we see your face and hear your voice for most of the video.
- Make sure that your video is saved as one of the next most common video formats (mp4, mov, wmv). The maximum file size is 1.0 GB.
- Name the attachment file in the following way: Lastname_Firstname_video.
- You can access your application form via the link included in the email you received from Studyinfo after submitting your application, or by logging into My Studyinfo (Oma Opintopolku).
- Upload the actual video to Studyinfo not e.g. a link to YouTube.
- Upload your video to your application form on Studyinfo (section South-Eastern Finland University of Applied Sciences – Xamk) by **Monday, 10 August 2026, 3 pm (UTC+3)**.
- **Start your upload well in time before the deadline**, uploading the video file on Studyinfo may take some time. The upload time depends on your broadband width.
- You must both upload the video and save the changes before the deadline.
- **Save the changes** (by clicking the *save modifications* button) to the form after the upload.
- **Late submissions are not considered.**
- If you face technical problems, please call us at +358 40 585 6610 or send us an email at admissions@xamk.fi.
