#### Notes:

*Students are recommended to arrive on campus from 4.1.2027 for self-orientation. During this first week students can visit the student affairs office to register themselves as present on campus, show their original documents, and familiarise themselves with the campus service locations. Also, students should be able to settle into their student accommodation in Kouvola, familiarise themselves with the town, and e.g. purchase a monthly bus card. Students should also visit the nearest DVV to register themselves in Finland.*

*The on-campus Orientation Week will be 12-15.01.2027 and ALL students are expected to be present.*

*NOTE: Students who have applied with studies completed outside Finland, should prepare to present the original documents (all certificates and identification documents) and official translations to the student affairs office latest 15.01.2027.*

*Campus access tags (electronic keys) can also be obtained from the info desk in the main building when you arrive to campus. Contact Elina Seppä/Saku Väkeväinen at the info desk in the main lobby.*

*Changes to this schedule are possible. The most updated version will be seen from the groups' own timetables.*
