South-Eastern Finland
University of Applied Sciences

Entrance Examination / Pre-task
Degree Programme in Game Design

Autumn 2018

Assignment

Print out this pdf template. Use this template to hand draw three screenshots of a game that is set at Roman baths. Before designing do some research on the topic. Illustration should demonstrate how the game looks. Write a short description of each screen. Scan or photograph the final result and submit the files.

Evaluation criteria

– a skill to come up with a novel game idea
– an ability to demonstrate the idea in drawing and writing
