

Auto mechanic vocational examination

KSAO
Car repair shop

School has own garage

- Car repairs and services
- Open for all customers
- Working like a commercial garage

Why?

- Problem based learning, real problem solving
- Learning by doing, handcraft skills
- Constructive learning step by step
- Students learn customer service, direct customer contacts
- Students learn business, work orders and invoicing
- Deadlines and time scheduled works
- Extra income for school
