Student selection in supplementary application, summer 2022

Note! To be considered in student selection for the programme, you are required to submit the application form on Studyinfo.fi service during the application period and meet the eligibility requirement for the studies. The supplementary application is open during **1 - 4 August 2022** (closes at **3 pm** Finnish time, UTC +3 on 4 August).

The student selection for this degree programme beginning in August 2022 is based on a pre-task that consists of **a CV and a video interview**. Both the CV and the video must be completed successfully.

Upload your CV and your video to your application form on Studyinfo (section "Information specific to application options") **by Mon 8 August 2022, 3 pm** Finnish time (UTC +3).

- You can access your application form via link included in the email you received from Studyinfo after submitting your application, or by logging into [My Studyinfo \(Oma Opintopolku\)](#).
- The maximum size for one file is 1 Gb. The upload for a file exceeding the maximum size will not be successful. Start your upload well in time before the deadline, especially uploading the video file on Studyinfo may take some time. **Save the changes to the application form after the upload.** You must both upload the files and save the changes before the deadline.

Pre-task

1. CV (Curriculum Vitae)

Write your CV in English and submit it in PDF format. The CV needs to include the following: a recent facial photo of yourself (can be an informal photo), personal information (name, date and place of birth, contact details), education and training background, work experience, personal skills (mother tongue, language skills, digital skills, hobbies or personal interests).

2. Video interview

Video interview is a video you make of yourself in English, answering the questions given below. You have to **personally appear** on the video. You can make the video with the device of your choice (e.g. mobile phone, tablet, digital camera or computer).

The duration of the video is **max. 2 minutes**.

Questions for the video interview

- What is your name and where are you from?
- Why do you apply for the Wellbeing Management education at Xamk?
- What specifically interests you in Wellbeing Management?
- What are your career ambitions in the future after you graduate?
- How are you going to arrange your participation in the studies?

The studies begin on 22 August 2022 with online orientation days. The first study year is delivered fully online and it includes online study sessions on weekdays (daytime) for 1-2 days a week. The second study year also includes Active Life Lab studies in Mikkeli (1-2 days per semester, on weekdays).

You can find the timetable for the autumn semester 2022 [on the New Student's website](#).
